# REACH Regulation (EC) 1907/2006
# Regulation Compliance Statement

Our policy is to accomplish strictly with the new regulation and work closely with our suppliers and clients. We want to maintain our clients totally informed about our projects refer-ring the REACH.

We are progressively introducing the REACH with the following actions:

- Contact with clients to notify the commitment of pre-registration and registration after, of the substances required by the REACH.
- Contact with suppliers to know on detail the strategy if registration for each sub-stance affected by the REACH.
- To carry out the complete inventory of substances REACH of our field of application and modify the security data sheet if necessary.
- Pre-registration – where required – of chemical substances.

This letter is to assure that all product(s) made by Statex Produktions- und Vertriebs GmbH do not contain any of the latest REACH substances of very high concern (SVHC) per Europe Union regulation 1907/2006. The latest 253 substances restricted per REACH regulation were last updated on 4th February 2026.

Products covered: All products manufactured by Statex Produktions- und Vertriebs GmbH unless the product is stated otherwise.

Note: This is a General Statement – please contact Statex Produktions- und Vertriebs GmbH if you require a product specific (by Part Number) declaration.

Please refer to the following for the most current list of substances:
